## THOUGHTFUL *luxury*

This season, we invite you to explore our latest gifting catalog, a collection where branded merchandise becomes more than just a gift. Every item is chosen with purpose, made with care, and designed to live in someone's home and heart.

Our approach to branding is intentional and refined, with minimal decoration that enhances rather than overwhelms. This is not a departure from who we are. It is an evolution, a deeper commitment to creating gifts that inspire, connect, and build lasting emotional moments.

Inside, you'll find more than beautiful products. You'll find stories of skill, intention, and the belief that meaningful gifting is about giving something truly worthy. Let's create gifts that live on, in homes, in hearts, and in a brand's story.

WITH A CURATED, SMALL-BATCH APPROACH, SELECT STYLES ARE RELEASED AS MINDFUL, *limited* DROPS — HERE FOR A MOMENT AND CRAFTED TO RESONATE LONG AFTER.
